Dear Sir :

We wrote to the Aurora Smelting & Refining Co. last week, requesting them not to make any more Silver Bars over 1200 ounces, as you object to accepting the same. Among a lot of 13 Bars which they have shipped us, there are 10 Bars that weigh from 1206 to 1250 ozs. Can you not oblige us by receiving these Bars, and, if so, wil you kindly telegraph us on Monday? You will observe that their weight is only a fraction in excess of the amount fixed by you. In case

Awaiting your reply, we remain, dear sir,

Yours, very truly,

J. & W. Seligman & Co.
